

## Vietnam War Memorial Traveling Wall

There is a very special event happening locally this week. As we commemorate the 50th anniversary of the beginning of the Vietnam War, our local gem of a Veteran's Memorial Museum will be hosting the Vietnam War Memorial Traveling Wall, Thursday to Sunday. Whether you visit the original wall in Washington, D.C. or this traveling wall, it is a moving experience. This traveling wall is 80% of the size of the original wall in Washington, D.C. This is the second visit for the traveling wall. During the 2007 visit of the wall, 10,000 people paid their respects.

The Wall has 58,000 names of those who died in Vietnam etched on it. There was a time when you either knew or were related to someone serving in Vietnam and visiting the wall provides a special opportunity to pay respect to those individuals and for their service. I have visited the Vietnam Memorial Wall in Washington, D.C. and have experienced the emotions of remembrance and respect in the presence of those 58,000 names.

There are more than 200 volunteers working on this event to help with locating names and escorting visitors to specific names on the wall. There will also be Chaplains available throughout the visit for those who need it. If you would like to learn more about the wall visit the museum or online go to [www.veteransmuseum.org](http://www.veteransmuseum.org).

If you have the time to visit this special event please do. Here is the schedule of
