

Exercise has a lot of clichés attached to it, such 
as:

Stillwater's Exercise Room

"Use it or lose it"

"If it ain't hurtin it ain't working"

"No pain, no gain"

"Winners never quit and quitters never win"

"If you are waiting for the perfect time you will be waiting forever"

 Exercise doesn't have to be painful, or boring – it just needs to get done. Particularly as we get older, the need for regular exercise is important to keep limber, flexible and as a prevention method for falls and other injuries. Whether you are a walker, a stretcher, a runner or a cardio-exerciser you just need to do it.

Sometimes joining others in the activity can make it easier to make that commitment or you may find it more to your liking to do individual exercise. Whichever is to your taste there are a number of opportunities to exercise here in Stillwaters Estates, either in a group or individually. Join the fun in one of the following:

At The Gathering Place:

- **Low-impact Exercise Group** – Monday, Wednesday, Friday at 9 a.m.
- **Stretch Workout** – Monday, Wednesday, Friday at 4:45 p.m. (Bring a

floor mat)

- **Energize Workout** – Wednesday’s at 10:30 a.m.
- **Morning Walking Group** – Monday through Saturday, meet at the intersection of A. Tennyson and Robert Frost Drive at 7:30 a.m. There is a fast-walking group and a more moderate-walking group each day.

On your own:

- **Exercise Room** available to residents 24 hours a day (See office staff for access)
- **Neighborhood walking** – 24 hours a day – one of the best areas around to walk.
- **Hike to the peak of Stillwaters hill**– there is a bench at the top now for rest and meditation.

The office crew is watching the second nest of the season from inside the Gathering Place. Four cute little Junco's the first time around. We are wondering what this round will bring?
